Living the American Dream

“The American dream is "that dream of a land in which life should be better and richer and fuller for everyone, with opportunity for each according to ability or achievement.”

James Truslow Adams, Author
The Epic of America (1931)

Presented at the home of
Will & Meredith McGee

Heirs Building Tomorrow's Wealth

Table of Contents

Living within your means
Homes, Lots, Land
Opportunity.....

Opportunity

What is the American Dream?

Responses from workshop participants

1. Freedom and Financial Freedom
2. Freedom of expression
(I work for the water department).

Educational Opportunities

- Public Libraries
- Internet learning opportunities.

Political Opportunities

1. Voting
2. Political engagement
3. Letters to representatives
4. Online petitions
5. Attending Board Meetings
6. Attending Public Forums
7. Call into Radio Shows

Skilled Opportunities

1. Trade school
2. College
3. Apprenticeship Trades

Homes, lots, land

- *I finally got a piece of the pie.* George Jefferson
- A fixer upper, tax property sale

Land is the part of the earth's surface that is not covered by water, as opposed to the sea or the air.

Homeownership

- Deeds
- Estate Planning
- Taxes

Living within your means

You're living within your means if you have a cash reserve after you pay your bills.

Living from pay check to pay check.

Borrowing money every month.

Borrowing resources monthly.

12%-24% interest credit accounts/cards keep consumers indebted.

Health Insurance access is a part of the American Dream

Estate planning (Last Will & Testament) are very important.

The entire system of credit is a gimmick which benefits credit card companies and corporations.

Banks earn billions from fees

Banks invest your deposit in stocks, bonds, and assets which earns them financial returns.
